The Prevention and Response Branch has sampled the four blocks immediately adjacent to the Delfasco facility, in the direction of the groundwater plume. The City of Grand Prairie assisted with the placement of the samplers. The samples were taken using passive soil vapor samplers. Initial results are due this week (9/15). The intent of the sampling is to identify the soil vapor plume and allow future in-house sampling to focus on the affected area.

One exhaust fan was installed on a home that had TCE levels greater than the action level inside the house. The owners of the other home exceeding the action level have postponed their decision to accept the exhaust fan until after the public meeting.

Bret,

You might ask Fife to also write up a bullet or two about his sampling and mitigation work. Below is the CI input.

A Delfasco community meeting has been scheduled for September 30, 2008 at the Bowles Life Center in Grand Prairie. The meeting will start at 6:00 PM. The draft meeting agenda will be finalized by September 25. Prior to the September 30 meeting, the Superfund and RCRA staff will fine tune any outstanding issues.

A joint RCRA/Superfund meeting has been scheduled with the City of Grand Prairie on November 12, at the Grand Prairie City Hall. The meeting agenda will cover the broader vapor intrusion issues/sites in the city, Superfund findings/future actions, VCP standing of the Delfasco facility, and the NPL listing process.

Photos of the mitigation system installed on the one home have been produced and will be used in the September 30, meeting handout.

John, Bret, please take the lead.

Beverly, Lydia, Kevin, please send your input to John and Bret.

Please develop a fact sheet for Delfasco and send it to Wren and I ASAP. Thanks.

All-

Sorry for the short notice. The Mayor of Grand Prairie, TX is meeting with the RA tomorrow. Please forward any factsheets about the Delfasco site and any other relevant hot issues concerning the City of Grand Prairie to Cynthia Fanning and me by **3 PM today**.

Thanks!!!

LaWanda Thomas
